

 **Asian Technology Conference in Mathematics**
An enjoyable and instructive conference

Free stuffs for the virtual ATCM 2020, December 14-16, 2020

<http://atcm.mathandtech.org>

1. From Maplesoft (<https://www.maplesoft.com/>):
 - Download:
<http://www.maplesoft.com/downloads/?d=6EB13E90B3B5C927A3ED2956F1BC17F9&pr=Maple2020>
 - Activation code: P3HQSUBKWRQGRV3
 - This is only valid for 15 days once you install and activate so you should wait to activate until just before December 14 so you can attend the Maple workshop.
2. Wolfram Research(<https://www.wolfram.com/>): We have made two products (Wolfram Mathematica|Online and Wolfram|Alpha Notebook Edition) available for ATCM2020 participants, each gives 300 access for 30 days. Here is the registration link:
<https://www.wolframcloud.com/obj/zh/ATCM2020/WolframRegistration>.
 - After registration, they will get an email of the access code for these 2 products.
3. Geometry Expressions (<https://www.geometryexpressions.com/>):
 - Free trial is always available.
 - ATCM 2020 and pandemic special: Here are the links to the \$10 Pandemic Specials:
 - Geometry Expressions
(https://geometryexpressions.com/gx/pricing/purchase_personal.html)
 - The Book Bundle
(https://sites.fastspring.com/saltire/product/GX_eBook_Bundle?action=adds&tags=GXProduct&coupon=10FORYOU)
 - Math Illustrations
(<https://sites.fastspring.com/saltire/instant/mathillustrations&coupon=10FORYOU>)
4. Autograph 5 (<https://completemaths.com/autograph>) now is free for all. Our ATCM long time friend, Douglas Butler will perform his piano at ATCM 2020. For more details, please visit this URL: <http://atcm.mathandtech.org/EP2020/Douglas-piano.pdf>.
5. Neotrie VR for free in this page, downloadable at <http://www2.ual.es/neotrie>.
